New Business

Talk about Users

Motion: Moved by Colby that we get user logins working ASAP. If Mike has time this week, he will do it. Users should get the home page, but without login, that's it. Should help with some hacking that may be happening on nwerp . When running in development mode, auto login as test user, so development is easier.

Motion passed

Add Filters to Data IO

Motion: Moved by Mike that getting filters on Data IO will probably be critical at this point to doing

real testing. Colby will get this done this week if possible.
